 For more information, please call (412) 262-1700.

Batteries: Unfortunately the EAC was unable to continue with the battery collection at the Community Center / Library lobby due to the increase in cost and regulations. Please use the website <http://pennsylvania.earth911.org> to find alternative venues for recycling batteries.

Please consider what you can recycle to keep it out of the landfills.

Thank you for your participation!

NOTE: Recycling Day has been relocated to a new location due to the construction in Moon Park. It will now be held at the Township Municipal Building parking lot next to the Police Station, across from Hoss's Steak and Seahouse.
