Public (Archery Only) Deer Hunting Program (2021-2022) Participant Guidelines

Rules and Regulations

1. Access to property granted by permit only issued by Moon Township. Those individuals assigned a valid permit must carry the permit while on Township property. Moon Township will have personnel patrol the designated areas to monitor for potential violations of this policy. Permit holders must be willing to present the Permit assigned for their use, as well as a valid government-issued photo ID at all times.
2. The permit is valid only within the defined areas of Moon Township and is valid only during the approved deer season dates as specified on the permit. Accessing areas outside of the defined area will result in trespass charges.
3. Permit holders are always responsible to be cognizant of their whereabouts. Issuance of a permit does not authorize trespass or hunting on neighboring properties.
4. Park in approved areas only.
5. Archery Hunting Only. No firearms are permitted. Applicants must have completed the Pennsylvania Basic Hunter-Trapper Education Course and have a valid archery hunting license. Moon Township recommends applicants also complete the Pennsylvania Bowhunter Education Course.
6. An antlerless deer tag for the appropriate wildlife management unit (i.e. 2B) is strongly encouraged.
7. All PA Game rules apply.
8. No permanent tree stands or motorized vehicles allowed. Tree stands must be removed every day (climbers only). No hunting from the ground.
9. The use of a full-body harness approved by the Tree Stand Manufacturers Association is recommended when hunting from the stand.
10. It is recommended that the permit holder know their location and carry a cell phone at all times in the event of an emergency and to report infractions. The Moon Township emergency telephone number is 412.262.5000.
11. All permit holders are required to report their harvest (along with their permit number) to Moon Township Administration by email at jhenkemeyer@moontwp.us in addition to submitting the required deer harvest report card to the PA Game Commission. Successful hunters are also required to cover/bury the entrails to discourage the attractant of other animals.
12. The permit is issued on an individual basis and is not transferrable.

16. ABSOLUTELY NO pushing/driving of deer.
17. Violations of these rules are subject to permit revocation and/or termination of the program. The permit is the property of Moon Township and must be surrendered upon request from Moon Township personnel or law enforcement.
