In accordance with Section B.3 of the Instructions to Bidders, using the bid quantities and contractors bid unit prices, each bid was checked for mathematical errors in extension and addition. No errors were discovered in the bids received. The enclosed bid tabulation presents a listing of the item descriptions and Unit Price Bid for each item for all bids received. As presented in the bid tabulation, Swede Construction Corporation is the apparent low bidder.

We recommend award of the Base Bid to Swede Construction Corporation in the amount of \$39,200.00.

Award of the Add Alternates is contingent upon review of the Township's Budget.

Should you have any questions, please call.

Sincerely,
