# AT YOUR DOOR SERVICE!

**Did You Know?** Waste Management's At Your Door service collects and manages hard-to-recycle, home-generated special materials. These materials include many items that may not be disposed of in the regular trash or recycling bins. These items include household and garden chemicals, electronics, TVs, universal materials such as fluorescent lamps, CFL's, batteries and most automotive-related chemicals such as motor oil, antifreeze, and cleaners.

After you contact Waste Management, a pick-up date will be scheduled and a collection kit will be mailed to you with instructions. Easy and Convenient!

There are three easy ways to participate:

1. Schedule a collection online [www.WMAtYourDoor.com](http://www.WMAtYourDoor.com)
